# 2018 Women's Health & Wellness Expo

In April 2012, Clayton WIN was founded to give women of the Clayton Business community an organization that focused on providing opportunities for personal/professional development of its membership and philanthropy for local women's charities.

WIN members actively participate in monthly networking events designed to promote both business opportunities and friendship. We also participate in annual fundraising activities designed to encourage, motivate and empower women business owners by providing leadership opportunities for our members, while increasing civic awareness and community involvement. WIN currently has over 110 members.

The 2<sup>nd</sup> Annual Women's Health and Wellness Expo, our largest fundraiser of the year, will be held at the Clayton Center on Saturday, April 7<sup>th</sup> 2018 from 10am-3pm. The proceeds from this event will be used for Clayton WIN Professional Development Fund and charitable endeavors within our community.
