

2019 Health & Wellness Expo

In April 2012, Clayton WIN was founded to give women of the Clayton Business community an organization that focused on providing opportunities for personal/professional development of its membership and philanthropy for local women's charities.

WIN members actively participate in monthly networking events designed to promote both business opportunities and friendship. We also participate in annual fundraising activities designed to encourage, motivate and empower women business owners by providing leadership opportunities for our members, while increasing civic awareness and community involvement. WIN currently has over 50 members.

The 3rd Annual Health and Wellness Expo, our largest fundraiser of the year, will be held at the Church at Clayton Crossings on Saturday, April 6th 2019 from 9am-3pm. Sponsored by Clayton Women in networking (WIN). The proceeds from this event will be used for Clayton WIN Professional Development Fund and charitable endeavors within our community.
